5. A lecture information

1. The image. If there is no image, it will be automatically up with font and colour pannel.

2. The detail of lecture

3. The map shows the venue and cafes.

4. If someone sets a "meet up", it shows the location on the map.

5. The information of "meet up". You can write a comment.

6. Suggests similar lectures.

7. The list of people going to the lecture.

8. The way to purchase ticket.
(Tried to create a button for purchase but like you said, being able to see and click at once is the easiest way.)

9. Show I am going. You can untick if you change your mind.

10. When I am going is on, you can organise your meet up.

The intelligent city: the new publicity and design reform

Speaker(s): Dr Paul Rennie

The historic links between London Transport and the art colleges of London helped create a unique triangulation of art, education and design reform.
Dr Paul Rennie, Head of Context in Graphic Design at Central Saint Martins, examines the patronage of London Transport which has, in the graphic arts and throughout the 20th century, provided an exemplar of design reform.

Date and Time: 27 May 2014 at 6:30 pm

Duration: 1 hour

Venue: London Transport Museum
                  Covent Garden Piazza
                  London
                  WC2E 7EE
                  020 7565 7298
                  http://www.ltmuseum.co.uk

Tickets: £8.00 adults
                  £6.00 concessions
                  £4.00 students

Available from: Call:
                  020 7565 7298

                  Book online:
                  Eventbrite

Note: Part of London Transport Museum's
                  exhibition 'The Art of Poster - a century
                  of design' which runs until 31 July 2014

Organiser: Poieuliwmen Ltd
